

Your Partner in the Planning for all your Party & Event needs.

NEW
NEWS

Welcome to Rental Stop's fully redesigned website here to serve you with all your rental needs! Now with an easier click through quote process, complete with descriptions and pictures-Rental Stop will have your project or event planning started quick and easy.

Rental Stop has been providing the Metroplex with great rental service for over 25 years. Our full-time, fully-trained staff will take the time to explain each product and give you helpful hints on other items to make your event or project go smoother and get done faster.

Have a new product to launch? A Grand Opening event? Let us help draw in the crowds for your next event with the Rental Stop team.

We work hard so you can enjoy your day.

Are you looking into doing a little home improvement or perhaps you need help with your 'honey-do' list? Rental Stop can provide you with the tools and equipment you need to finish your project.

Plumbing problems? Lawn and garden out of control? Check out our wide selection of tools and special equipment to get the job done right.

And, remember we rent our items by the hour, daily, weekly or monthly for your convenience. We are here to serve all your rental needs!
